Massís del Port 1898 verd Arbequina

This olive oil comes exclusively from olive trees of Arbequina variety. “Verd” means green in Catalan and it refers to the early harvest of this olives, before they are completely ripened. With this selected and intense olive oil we celebrate those days in 1898 when the mountains of *Els Ports*, in Terra Alta region, southern Catalonia, fascinated one of the most universal painters of the 20th century, Pablo Ruiz Picasso. By choosing this olive oil, you help us to preserve our ancient olives trees and the cultural heritage of this area.
