About 2019 vintage

Harvest yield: 2,904 kg/ha

Local weather from October 2018 to September 2019: 14.9° average temperature and 436 mm of rain. Moderate winter and a cool spring. Hot temperatures during June, with historic maximum temperatures and low humidity. Although, the excellent Grenache's adaptation and a moderate climate on September allowed a good ripening of the grapes. Most of the rain fall mainly in autumn. A dry harvest.

Tasting notes & suggestions

Intense red colour. Its shows clearly the Grenache character in southern Ebro River Valley: fruity, fresh and full bodied. Under good storage conditions, this wine will preserve its characteristics until the fifth year (2024). Serve between 10° and 12° C.
